TO THE NEW GIRLS

We are welcoming the Freshman Class of 1932. We are glad to have each one of you at Sweet Briar. It is your spirit and your coöperation which will help uphold the ideals and standards of the College. Since you are going to be a large part of it, we want you to feel that Sweet Briar belongs to the students and that only by our loyalty and love for it, our interest in its welfare and our earnest purpose to take and use the best that it can give us, will its highest aims be accomplished. You can do your part by giving your chosen college the best you have to give and by being prepared to enjoy your life here to the fullest by making it worth while. Sweet Briar must be proud of having every one of you.

Sweet Briar Song

Sweet Briar, Sweet Briar, flower fair,
The rose that on your crest you wear
Shall never fade, but always bear
Thy beauty, O Sweet Briar!

Sweet Briar, Sweet Briar, thy columns
white
Shine on thy hills a beacon light
Of truth, to burn with radiance bright
Forever, O, Sweet Briar!

Sweet Briar, Sweet Briar, we sing to
thee,
May thy foundations ever be
Strong as thy hills, thy purity
That of thy rose, Sweet Briar!

THE ASSOCIATION AT WORK

What Each Committee is Doing

The Social Service Committee

Social service at Sweet Briar is not restricted to discussions in Sociology classes or to your own intentions to "do something really worth while" when you are out of college. Through the Young Women's Christian Association of Sweet Briar, you have a splendid opportunity to find the joy which comes from service, from the feeling that you have given a little of yourself to someone else.

There are two branches of social service work at Sweet Briar—the Sunday School and the meetings and classes for the waitresses. The Sunday School is attended by about twenty-five children. The classes are made very attractive and it means a great deal to them. The Christmas tree is always a howling success—a feature that none of you must miss. The waitresses do not get out of the dining-room in time for church or for the Sunday vesper services, and consequently, if it were not for the meetings held every Sunday night, there would be girls at Sweet Briar who would never have an opportunity to go to church whether they wanted to or not. For these same girls the association has organized a singing club, a basketball class, a dancing class,

a sewing class, as well as classes in English, Mathematics, and Hygiene.

If you want your work to be fully appreciated, offer some of your time to the Chairman of the Social Service Committee, who is Maria Bemiss, or to her assistants, Isabel North and Mary Archer Bean.

The advantages that you have as a college student increase both your ability and your responsibility to help those less fortunate than yourself.

The Extension Committee

The Extension Committee is Social Service work spread out. The activity of the committee for the coming year will be in connection with the Red Cross center in Amherst and with the branch organization at Sweet Briar. Perhaps you know that the American Red Cross is concentrating its efforts on the betterment of conditions in rural communities and that Amherst is one of the poorest counties in the State. Sweet Briar can do no more creditable or lasting work than to aid in the improvement and progressiveness of the county in which it is situated. We are helping to support in Amherst, a nurse and social worker who have done immeasurable and widespread good for the people all over the county.

Before you leave for Sweet Briar look around and see if you have some children's books. If so, pack them up and send them to Rev. Thomas Lewis,

Amherst, Va. This year the Sweet Briar girls have provided the Amherst children with a library and we need more books.

There will be a story hour in Amherst for the youngsters on alternate Sunday afternoons, and we want every girl who possibly can to volunteer to help with this work.

Equally important is the Indian Mission. This is a settlement back in the mountains, of several hundred people of very mixed blood and almost unbelievably few opportunities. The county supplies a teacher for six months of the year and the Episcopal Church in Amherst and the Sweet Briar Christian Association support her for the other six months. We also send clothes and provisions to the Mission and the Association gets up frequent hiking parties to go over and arrange entertainments for the children, carrying them toys and candy, and at Christmas, filling stockings for them. The girls take an especial interest in this branch of work and it has proved to be an instance of time well spent.

The Extension Committee has also been interested in launching a health campaign at the Coolwell school, about two miles distant, and in helping the school raise the money for its own activities in the line of improvements.

Besides this, magazines and provisions are sent to the county poorhouse

where conditions are far worse than pitiable and where there is an ever-present need for assistance.

If you are willing to take your part in making people warm, well, and happy, there is a place on this committee open to you. Lisa Guigon is chairman of this committee.

Religious Meetings

The Religious Meetings Committee is in charge of the Sunday School Classes for children in the vicinity of Sweet Briar. It also arranges religious meetings which the waitresses attend. Other religious activities which are not planned by the college come under the work of this branch of the Y. W. C. A. One night a week a chapel service, arranged by the committee, is held. By entering into the spirit of these services you can find both help and inspiration. Mary Moss, the chairman of the committee on Religious Meetings, will appreciate any suggestions which you can offer for making these services more interesting or more helpful.

The Membership Committee

The Y. W. C. A. wants members, not numbers! This ideal was expressed when Sweet Briar adopted the *personal basis* of membership. Formerly you could be a member of the Y. W. C. A. of Sweet Briar on any condition, but not a voting member unless you were a member of a church which belonged to

the Federation of the Churches of Christ in America. At the National Convention in Cleveland, held in April, 1920, it was voted to adopt the personal basis of membership for the student associations. This basis is fully explained under Article III of the Constitution. Sweet Briar took the forward step along with other colleges in the United States.

It is believed that under this new order the girls will feel more keenly that they are the Association, and if the Y. W. C. A. succeeds, to them goes the credit, or if it fails, to them people will look for the reason.

It will be the pleasure of the Membership Committee to welcome you to Sweet Briar and to help you in every possible way. Emma Riely is the chairman of this committee.

The Social Committee

Through the efforts of the Social Committee, more girls are brought in touch with each other than through the work of any other branch of the Y. W. C. A. Its members help to meet the new girls and to make them feel at home at Sweet Briar. The Social Committee has charge of the reception given to the new girls at the beginning of the year. Each new girl will have an old girl as her student associate. Your student associate will be glad to help you in whatever way she can.

Dorothy Jolliffe is the chairman of this committee; whose duty is to assign your student associate who will take you to the reception given for the new girls.

The Publicity Committee

If you can draw, here is your opportunity to exercise your talent and to be useful. The Y. W. C. A. is always glad to have attractive posters. The committee needs everybody who can serve, and those who cannot make posters—please read them and heed them. There will be posters for Sunday evening meetings, activities, entertainments, and general information.

This committee is also in charge of the reading room and will welcome all girls who care to use it. You will find magazines, newspapers, and books there. If you have any suggestions, give them to Amelia Hollis, the chairman, and her assistants, Katie Coe and Betty Hibbs.

The Finance Committee

The main business of the Finance Committee is the making out of a budget at the beginning of each year. This budget is an approximate estimate of the S. B. C. A. expenses for the year and it is up to the Finance Committee to raise this amount.

Sophia Dunlap is chairman of the Finance Committee.

The Y. W. C. A. Library

One of the most recent and also one of the most useful of the Y. W. C. A.'s contributions to Sweet Briar is the reading room on the first floor of Gray. Here you will find magazines, some of which tell what is being accomplished by the Y. W. C. A. in other colleges; newspapers, and current fiction. Books may be rented for five cents a day. You are cordially invited to avail yourself of the privileges which this room affords.

Business Organization

Candy is sold in every dormitory for the benefit of the Y. W. C. A. The money is used at the discretion of the Cabinet. The chairman of this committee, Norvell Royer, will appreciate your help and co-operation in this branch of work.

BLUE RIDGE

The Students' Summer Conference

Away down in North Carolina on the side of a great mountain, perches Blue Ridge. The first view of it from the railway station at Black Mountain is inspiring and the inspiration is renewed at every turn. Perhaps the most wonderful thing about the place is the view fronting Robert E. Lee Hall, which is the nucleus of the conference life. Standing on the broad piazza, looking

across the valley with its many roads winding in and out among the fields and forests, you see the blue outlines of a long, high range of mountains, rugged and majestic in their dignified beauty. It may be the atmosphere of the conference, it may be just imagination, but somehow God seems very real to you up there.

Each day is filled with interesting things. All morning there are Bible and Mission study classes, lectures and meetings for the discussions of Y. W. work. At these meetings you find girls from colleges all over the South, and you learn a great deal about the management and business of other student Y. W. C. A.'s. In the afternoon there are hiking, swimming, tennis, and other sports. Parties climb Hightop to watch the sun set over the blue, eternal hills. Dinner is at six o'clock and each delegation gathers at its own table in the refectory. What an appetite that mountain air gives you and how good the food is! During the meal, the different colleges serenade each other, Blue Ridge, and the world in general, with all kinds of college and conference songs. Later there are stunts, movies, lectures, or step-singing out in front of Robert E. Lee Hall. Last of all are the delegation meetings, just before "taps" when the members of each delegation discuss together the things that have happened during the day.

The finest thing you can bring with you from the conference is the "Blue

Ridge spirit.” This may be defined as “happy helpfulness” for everyone is eager to help you in any possible way, and everyone is happy. There you are prouder than ever of being a Christian; it seems a thing to be proud of, to try to live up to more than ever before. You might well put your whole life into Blue Ridge and not take half from it of what is there for you. Blue Ridge is one of the “high places” of our country, and if you doubt this, just ask anyone who has been there.

The Y. W. C. A. of Sweet Briar sends two girls every year to the conference, but any girl in college who is interested may go and she is assured of lasting benefit.

**POLICY OF THE Y. W. C. A. OF
SWEET BRIAR COLLEGE
FOR 1928-1929**

Motto: “Whatsoever ye do, do all to the glory of God.”—I Cor. 10:31.

1

We, as a Cabinet, realize that our supreme strength lies in the reality to us of Christ as a Friend. Therefore, we determine to make Him our Friend, to help other girls feel Him as their Friend and then work together for His honor and glory.

The Cabinet believes that the greatest need of our college is a deeper thoughtfulness on the part of each girl in college. This thought would result in a true estimate of the relative values of things, a balanced life which puts the right emphasis on the different phases of college life and develops true college spirit. To this end we will dare to stand for:

First—Loyal and unflinching support of the Associations in college, strict obedience to their regulations, and regular attendance at their meetings.

Second—Interested respect and response to the regulations of the Student Executive Department.

Inasmuch as we are the leaders in the spiritual life of our college community we determine:

To observe Sunday in such a way as shall show the college our real love for Christ and our reverence for the Lord's Day.

To set a proper standard of conduct in chapel exercises.

To bring out and train girls in real spiritual leadership, by watching carefully for powers of leadership in girls and by giving these girls such work to do as shall develop and consecrate these powers.

4

Inasmuch as we realize the Association is dependent not only upon the spiritual quality of the leaders but also upon their practical efficiency, we resolve:

To be regular and punctual in attendance upon the weekly meetings of the Cabinet and to regard these meetings as previous engagements.

To regard Cabinet meetings as confidential meetings, where we may freely discuss any question.

To read intelligently each month our Association Monthly in order to be thoroughly equipped in our work.

To study the Association Handbook.

5

As individuals we pledge ourselves:

To spend as much time as possible daily with Christ in the study of our Bible and in prayer.

To keep strict watch over ourselves in all our activities and relationships.

To know as many girls in college as possible, and to be ready and willing to give each girl the best that is in us.

All the above resolutions, howsoever difficult, we will carry out to the very best of our ability.

“Be ye transformed by the renewing of your mind, that ye may prove what is that good and acceptable and perfect will of God.”—Rom. 12:2.

HOW YOU CAN HELP

You are the Y. W. C. A. of Sweet Briar. If the Association succeeds, it is you who make it do so; if it fails, it is because you have not taken your part. The Association, so large in its possibilities, so influential in its scope, so vital and necessary to the college life, must not fail. Therefore, be an active member. Show your interest, give your support, co-operate for the accomplishment of its aims. Be conscious of your membership and try to make others feel a similar consciousness and you and your Association will both grow broader and will be more worth while.

Show your interest by an endeavor to attend every meeting regularly, and DO NOT COME ALONE. To try to interest others is the surest way to interest one's self.

If you have any criticism of the Association, make them *to* us and not *about* us. Criticisms prompted by sincere interest may be a source of real improvements and progress in our work.

Carry the Association spirit of helpfulness and unselfishness with you throughout the week—to your tables, your classes, your roommates, and your play. It is not meant to be kept for Sunday!

Definition

In forming the National Young Women's Christian Association of America, it was agreed to use as definition of Protestant Evangelical Churches, the Portland definition in use by the Young Men's Christian Association of North

America, and as optional the statement of the action taken by the Inter-Church Conference of 1905. Printed matter containing these will be forwarded upon request to the National Board, Young Women's Christian Association, 600 Lexington Avenue, New York.

THE STUDENT GOVERNMENT ASSOCIATION

Foreword

With the opening of a college career, the great problems of control, and self-control in particular, seem uppermost. Aiding in the solution of this problem, with the co-operation of the faculty and the earnest work of former students, the Student Government Association of Sweet Briar College has risen. This Association through the fourteen years of its existence has stood for the maintenance of our College standards.

The success of former years and of the years to come is intimately connected with the life and aim of each student who forms a unit in the democracy. Each citizen of the collegiate body should realize the importance of her hearty co-operation with the actions of her government by earnest interest and truthful expression of her own opinion. The fresh inspiration of the members of the Association, gathered together, are only greater steps toward the perfection of a system which shall stand for everything. Each individual is needed. Her value to the rest of the college is inestimable, if her idea and aim is always what is best for Sweet Briar College.

The observance of the rules and laws of the Association may at first seem irksome, but they become easy if we remember to uphold the high standard.

To help in the upholding of our rule,
we have drawn up a constitution.

THE HONOR SYSTEM

We have been able to maintain a high standard of honor at Sweet Briar, and we look to you to do your part in the future towards keeping this standard. The Executive Committee of the Association has the power to investigate and take action in any case involving an infraction of the Honor System, which comes under its observation. The final word rests with the faculty, but we are glad to say that it is seldom necessary to resort to this Supreme Court.

This system is not only in use during examination time but for all class work during the year, and also for every phase of college life. A Sweet Briar girl's word is her bond on anything in the academic or social field. Our aim is for truth and honesty in everything.

AGREEMENT CONCERNING THE STUDENT GOVERNMENT OF SWEET BRIAR COLLEGE

The Student Petition (October 17, 1906)

The Students of Sweet Briar College, believing that there is dignity and honor in student government, desire individual and community responsibility for the conduct of students in matters not strictly academic.

We, therefore, petition the President and Faculty for legislative and executive control in certain matters. We ask:

I—Right to control quiet and order in all places about the buildings and campus that are not under the immediate control of a member of the Faculty.

II—Permission, with the advice and approval of the Faculty, to extend our power as occasion arises and we prove worthy to be vested with greater power and authority.

III—Permission to make such additions to the above as we may feel are necessary, with the consent and approval of the President and Faculty.

The Reply of the Faculty

(October 20, 1906)

The Faculty of Sweet Briar College endorses most cordially the desire of the student body to assume responsibility for the conduct of individual students in non-academic matters. Therefore, the Faculty accords permission to frame a constitution embodying laws regulating the points specified in the petition—said constitution to be submitted to the Faculty for endorsement.

Preamble

Whereas, we, the students of Sweet Briar College, desire to assume individual and community responsibility for the conduct of students in matters not strictly academic, and, whereas, we believe that there is dignity and honor in student government, we do hereby, in accordance with the agreement between the Faculty and Students, organize ourselves into an Association.

**CONSTITUTION
OF THE
STUDENT GOVERNMENT
ASSOCIATION
OF
SWEET BRIAR COLLEGE**

Article I—Name

The name of the Association shall be the Student Government Association of Sweet Briar College.

Article II—Purpose

The purpose of this Association shall be to foster the individual and community interests of Sweet Briar students, by maintaining the high standard of conduct and decorum, and by strengthening the spirit of unity and the sense of individual responsibility implicit in the ideal underlying the foundation of Sweet Briar College, which was "to impart to students such an education in sound learning, and such physical, moral, and religious training as shall . . . best fit them to be useful members of society."

Article III—Honor System

In order to carry out the general purposes of the Association, an Honor Sys-

tem has been installed. Under the Honor System, it is assumed that all members of the Association will have due regard for the spirit as well as for the letter of the rules and regulations adopted from time to time, in accordance with this Constitution.

The Sweet Briar Honor System rests solely upon the personal honor of each student, and upon the public opinion of the student community as a whole. Each student is in honor bound to report herself to the proper authority for any infraction of the rules, except in matters which are under the direct jurisdiction of the Proctors. Each student is likewise honor bound to report any fellow-student known to be guilty of a similar infraction of the rules, after failure on the part of said fellow-student to comply with a request to report herself within twenty-four hours.

While the various officers and committee-members of the Association are especially charged with a duty of maintaining the respect for law and order necessary for a self-governing community, this provision in no way relieves any student of her individual responsibility. It is expected that every student will hold herself personally responsible for compliance with the rules of the Association, and will endeavor in every way within her power to foster a public spirit which will not tolerate the infringement of the rules by any member of the Association.

Occasional and accidental neglect of the rules governing quiet in the dormitories shall not be considered as a "breach of honor." It is to be borne in mind, however, that only such rules are in force as have been found necessary for the maintenance of a peaceful and harmonious community life, and their persistent or wilful disregard, therefore, constitutes a serious offense, and will be dealt with accordingly by the duly authorized officers of the Association.

Article IV—Membership

All students at Sweet Briar College are active members of the Association and must conform to the rules and regulations of the Association for such periods as they are registered in the College. Every student on entering the College shall sign a pledge to uphold the Association and the Honor System and shall thereby be granted membership in the Association.

Article V—Jurisdiction

All resident students, both individually and collectively, are under the jurisdiction of the Association, in matters not strictly academic. Non-resident students are likewise under the jurisdiction of the Association, except in matters which naturally are under the control of their parents or guardians.

The Association shall hold each student responsible for informing her guests of the rules they are expected to observe while visiting at the college.

All the legislative, executive, and judicial powers recognized as essential to a self-governing organization, shall be vested in the Association, acting either as a whole or through its duly authorized officers and committees, as hereinafter provided.

The Association shall co-operate with the President of the College in the enforcement of those rules not directly under the jurisdiction of the Student Government Association, concerning the general conduct of the students. (See the rules and regulations drawn up by the President of the College and the Executive Committee of the Faculty.)

Article VI—General Government

Section I.—Officers. The officers of the Association shall be: President, Vice-President, Secretary, Treasurer, a House President for each dormitory, and Proctors for each dormitory.

Section II.—Duties of Officers.

the students require such representation; and shall perform all the duties which naturally pertain to the office of President of a self-governing organization. As soon as convenient after registration, the President shall call a meeting of the entering students to explain the rules and regulations of the Association. At the last regular meeting in April, the President shall review the year's work and the President for the ensuing year shall assume the duties of her office.

(b) The Vice-President shall perform the duties of the President in the absence of the President; shall have charge of the College Calendar; administer the system of points, and keep a cumulative record of all offices held by each member of the Association throughout her college course; and perform such other duties as shall from time to time be designated by the President or Executive Committee.

(e) Each House President shall serve as a member of the Executive Committee; exercise a general supervision over her district; appoint Proctors for terms of three weeks to assist her in such supervision; and hold her Proctors responsible for the maintenance of order within their respective jurisdictions. She shall have the right to remove any Proctor from office for neglect of duty. Such neglect of duty shall constitute a Minor Offense (See By-Laws I and II`

for which the offender shall be summoned before the Executive Committee for appropriate action.

(f) The Proctors shall assist their respective House Presidents in the maintenance of law and order, and in accordance with the Constitution and By-Laws of the Association, shall regularly report to their respective House Presidents any infractions of the rules occurring within their respective jurisdictions. Such reports shall be specific as to name, hour, nature of offense, and any other relevant details.

Under the general jurisdiction of the Proctors shall be the rules of quiet, of Fire-prevention and of Chapel Attendance. Each student will be held directly responsible for any disturbance which may occur in her room, unless the particular student or students causing the disturbance shall exonerate her either to the Proctor, the House President or the Executive Committee. With regard to these rules students shall be held responsible for their guests. At all times, and in all places, the Proctors shall hold themselves responsible for good order in the college community, and shall take whatever steps may seem expedient to enforce the rules of the Association. In the discharge of their official duties, Proctors are duly authorized representatives of the Association, and are vested with the dignity and authority naturally pertaining to such representation. Their injunctions are binding upon all

students, pending appeal as hereinafter provided (see Article VII, Section 2, Sub-Section g). Any student, whether or not she be an official of the Association, shall have the right, and shall be under obligation, to act as *Proctor pro tem* and to protest against any unwarranted disturbance in the dormitories by reminding offenders of their responsibilities as members of the Student Government Association. In case of persistent disregard for the rights and comforts of others, and after reasonable warning, any such *Proctor pro tem* shall be expected to report the misdemeanor to the House President, to the Executive Committee, or to some other officer of the Association.

Article VII—Committees

Section 1. The Standing Committees of the Association shall be: The Executive Committee, College Council, Advisory Council, Nominating Committee. thereon as may seem wise and expedient in accordance with the rules and regulations of the Association; and in case of minor offenses, to impose such penalties as are provided in the By-Laws.

(c) The Executive Committee, sitting as a court, shall have original jurisdiction in all cases of discipline, and shall have the right, and it shall be its duty, to judge and pass sentence upon any case of misconduct coming to its attention. The accused shall have the right to appear and present her defense before the case is finally adjudicated.

(d) The Executive Committee shall have the power to summon before it, at its discretion, any committee or board or member of the Association, and, in the exercise of its judicial functions, to require testimony from any member of the Association, and to inflict penalty for refusal to testify, except in cases where for good and sufficient reason, it shall see fit to excuse the witness.

(e) It shall likewise be incumbent upon the Executive Committee to enforce all penalties imposed by any branch of the Association for infraction of rules or disregard of community welfare.

(f) In cases where the Executive Committee proceeds in the face of a denial by the student accused, a reprimand shall issue from, or other penalty be imposed by, the said Committee only on the basis of a formal statement,

signed by a majority of the Executive Committee, giving the nature of the testimony and the names of the witnesses. Such signed statement shall be presented to the accused, if demanded by her.

(g) The Executive Committee shall receive and shall consider with reasonable despatch, any complaint filed in writing by any student who feels that she has been unjustly treated by any member of the Association. Such complaint shall be adjudicated in accordance with the regular procedure of the Executive Committee.

(b) The Council may discuss topics of general and special interest to the college community, and offer recommendations to the Executive Committee of the Faculty or to the Student Government Association.

(c) It shall be the further duty of the College Council to act as a Court of

Appeals whenever an appeal is taken from a judicial decision of the Executive Committee. Such appeal may be taken either directly by the student convicted, or by the Student Government Association meeting as a Committee of the whole, in case such appeal by the Association is sustained by a written petition signed by at least one-half of the members of the Association.

The Executive Committee may refer any case to the College Council for discussion before final decision and may submit any of its judicial decisions to the College Council for review; and must submit, and the College Council must review all cases in which a penalty of suspension or dismissal from the Association has been pronounced.

After such judicial review the College Council may in its discretion impose a substitute penalty, which shall be final except as provided in other sections of this article. In all cases submitted to the College Council for appeal, discussion, or review, the College Council shall have the same powers and duties as are vested in the Executive Committee when sitting as a Court. (See Section 2, (c), (d), (e) and (f) of this article.)

(e) At the request of two members of the College Council, any case involv-

ing infraction of the rules may be brought before the Council for review and re-adjudication, after action taken by the Executive Committee.

(f) A final appeal may be taken from a judicial decision of the College Council to the Executive Committee of the Faculty, (1) by the convicted student only in case the decision involves the penalty of dismissal, or suspension; or (2) by the Student Government Association, acting as a Committee of the Whole, in case such appeal is sustained by a written petition signed by at least one-half of the members of the Association.

(g) Suspension from the Association shall be accompanied by a recommendation to the College Administration or to the Executive Committee of the Faculty that the convicted student be suspended from College for a contemporaneous period.

Dismissal from the Association shall be accompanied by a recommendation to the College Administration or to the Executive Committee of the Faculty that the convicted student be dismissed from College, or be requested to withdraw from College at a specified time. A recommendation for dishonorable dismissal shall be made only to the Executive Committee of the Faculty.

1. A two-thirds vote of the Executive Committee.
 2. A two-thirds vote of the active members of the Association.
 3. The approval of the President of the College.
-

BY-LAWS

15. Honorary members may be elected to the Dramatic Association by a simple majority of the Active Members.

INTERNATIONAL RELATIONS CLUB

Dr. McDougale was the first person who awoke Sweet Briar to the need of a study of the problems of international diplomacy. He, therefore, got in touch with Prof. G. H. Blakeslee, editor of the *Journal of International Relations*, and received permission to start a club at Sweet Briar. This club is one of the number to be founded in the Universities and Colleges of the country under the auspices and with the assistance of the Carnegie Foundation for International Peace.

Since Dr. McDougale left Dr. Folsom has taken his place as faculty advisor of the club. The club is composed of Seniors and Juniors with a certain academic standing. There are thirty members, the number being divided as nearly as possible between the two classes. New members are elected by the old at the beginning of the year. Invitations to new members are given out at a regular meeting of student government. Meetings are held every other Tuesday night at Dr. Folsom's home. There are reports and discussions on topics of international interest, and every means is used to stimulate a general interest in the world of affairs. Debates are occasionally held, and speakers on international questions brought to the College.

TAU PHI

Tau Phi Society was organized in 1921 to affiliate those students in the college who are interested in literature, art, and science, to further this interest, and to recognize their individual effort and thought. It is the only society of its kind in Sweet Briar, and is composed of a limited number of Juniors and Seniors. The membership is selected from those students considered best fitted to forward Tau Phi's ideals of the advancement of higher standards.

THE CLASSICAL CLUB

The Classical Club is composed of those students having taken or taking Greek in College, and those having taken or taking two years or more of Latin in College. At its monthly meetings programs of classical interest are given by the members. In time the club hopes to own a collection of classical antiquities, which has already been started by gifts from Dr. Magoffin, of New York University, and Miss Newell, of Sweet Briar.

THE BIOLOGY CLUB

The Biology Club aims to promote an interest in all Sciences in general and Biological Science in particular. Its membership is drawn from those sophomores showing special interest in Biology and Juniors and Seniors majoring in Science. Meetings are held twice

each month when either the history of science or some modern research work is discussed. Each year the club offers a scholarship for a summer course in one of the Maine Biological Laboratories on the Atlantic coast, to a student showing marked proficiency and interest in Biology.

LE CERCLE FRANCAIS

Le Cercle Francais, a club for the more advanced French students, is a social organization for the promotion of a knowledge of the French language, customs and people, outside of the class room. The club meets twice a month and literary, dramatic and social programs are arranged by the members.

THE GERMAN CLUB

The aim of the German Club is to further at Sweet Briar interest in the literature, art, science, and politics of Germany. The membership is composed of students in the German Department of the College.

THE HISTORY CLUB

The membership of the History Club is composed of major students in the History department, and of a few others who are particularly interested in History. The club has made a most engaging study of Virginia history. In the vicinity of Sweet Briar there are

many spots of historic importance, which offer an alluring field to the student of history.

THE ENGLISH CLUB

All juniors and seniors who are majoring in English are eligible for membership in the English Club. The purpose of the club is to afford an opportunity to those who wish it, and have chosen this subject, for the study and enjoyment of English literature beyond the limitations of the classroom.

Because we believe that thought is enriched when it is shared, because we believe that thought is essentially social, and because we find pleasure and profit in the appreciation of literature, past and present, we have organized the English Club.

THE MATHEMATICS CLUB

The Mathematics Club was organized to further an interest in the subject. Membership is limited to those students doing advanced work in the department or in Physics, and programs of mathematical or scientific interest are given at the monthly meetings.

THE NEW VOTERS LEAGUE

The New Voters League in every college is a branch of the National League of Women Voters. The Sweet Briar chapter tries to follow as nearly as possible the program of the National

League. This year we hope to obtain several well-known speakers who will aid us in understanding the part we should play in public affairs after graduation from college. Every girl is cordially urged to attend all meetings and to enroll herself as an active member.

THE GLEE CLUB

The Glee Club is for those who love to get together and sing. Its aim is for a bigger and better organization, which will present programs of interest to all throughout the year. The plans for 1928-29 promise the best year in the history of the club, and it is the class of '32 that will help make these plans a reality and a success. Every member of '32 is urged to come to the try-outs held in the fall, and to give her support to the Glee Club.

THE CHOIR

A great deal of the beauty of the church services is due to the choir, and if you sing, there is a place on it for you. Trials are held during the first two weeks in the fall. Rehearsals for choir are held for an hour Thursday evening and directly before the Sunday morning service.

THE BRIAR PATCH

An annual is always important. The Junior Class "gets out" the *Briar Patch* and it looks to the members of its sister class, The Freshman, for a great deal of help. You will be glad to have a part in it and to own a *Briar Patch* as a permanent record of your college life among the beauties of the Virginia hills.

THE BRAMBLER

The Brambler is the college magazine that is issued six times a year by the students. Due to the advent of the newspaper last year, there will be some change in the material for *The Brambler*. We ask the co-operation of everyone in supplementing these gaps with contributions of short stories, informal essays, humorous sketches, plays, poems, etc. It is your magazine, and because of this you will want to subscribe and contribute to it. The publication produced by a college is representative of that college, and we want *The Brambler* to represent Sweet Briar in the best possible manner. In order to accomplish this, your help is solicited. Contribution boxes have been located in convenient places, and we hope that everyone will do her part to fill them.

THE NEWSPAPER

The Sweet Briar News made its first appearance in the Fall of 1927, and has proved a worthy companion to THE BRIAR PATCH and THE BRAMBLER. Our college has grown so tremendously in the past

few years that there is real need of a newspaper. No longer can we depend on accurate news of our activities traveling by word of mouth. But it is not only on the campus that the newspaper is needed. All over the country Sweet Briar alumnae are eager to hear about what is happening in the old school and we feel certain that they welcome the new publication with real joy.

There is a regular staff on the newspaper, headed by Gertrude Prior, '29, as Editor-in-Chief, but the real success of *The News* depends on the co-operation of every individual student in the college. If you will support us, we will support your interests. That is fair enough, isn't it?

THE DRIVE

The Sweet Briar Drive is the common property of every Freshman, Sophomore, Junior, and Senior at Sweet Briar. Every girl in every class, irrespective of her brilliance or her abilities, can do her bit to build the Student Building, whose swimming pool, well-equipped gym, and little theatre every Sweet Briar student sees in her mind's eye as one of the most engrossing aims of her college life. This Drive, since its organization in 1924, has been carried on solely by the students in their pledges and Drive benefits, by a few parents, and by the faithful alumnae; neither the administration, nor any outside help has been sought. The aim of the drive is \$120,000, and over

half of that has been subscribed; therefore, the drive conditions of today are more interesting than ever before, because we can feel that we really have something tangible to build our hopes on. The Freshman class is always a ready supporter of the Drive, and we want the Freshmen who will come to Sweet Briar in September, those girls that will form the interesting class of '32, to give us their willing and energetic support, which will break the ground for the Student Building. It will be the Freshmen who will some day have the reality for which the older Sweet Briar girls have worked so willingly.

FOR FRESHMEN ONLY

Laws of Varsity Council

Varsity Council shall be composed of the Presidents and two selected members of the Senior, Junior and Sophomore Classes.

The purpose of this Council shall be to foster and promote the worthwhile ideals and traditions of Sweet Briar.

A series of rules concerning this purpose shall be posted for the benefit of Freshmen.

A silent committee shall be chosen by Varsity Council to report upon any infringement of these rules, whereupon the

offenders in such cases shall be judged by Varsity Council and suitable punishments dealt out to them.

Sophomores shall in no way have jurisdiction over Freshmen.

There shall be no hazing under any circumstances.

Varsity Council shall have the right to pass judgment upon Sophomores as well as Freshmen.

STUDENT ACTIVITIES FUND

It has been decided by the student body that a "Student Activities Fund," which covers the annual dues to the various organizations, be added to the general expenses. Not only because it is more convenient to each student to make a single payment instead of seven separate ones, but also as a means of fulfilling her obligation as a good citizen of the college, every member of the student body is strongly urged to pay her Student Activities Fund in September. This fund covers the following expenses:

Student Government Association	
Dues	\$ 2.50
Y. W. C. A. Dues	2.00
Dramatic Association Dues.....	3.00
*Athletic Association Dues	8.00
Subscription to the College News- paper	2.00
Subscription to the Brambler.....	2.50
The Briar Patch	5.00
<hr/>	
Total.....	\$25.00

*Annual athletic dues for Juniors are \$6.00; hence total fund payable by Juniors is \$22.00. Annual athletic dues for Seniors are \$1.00; hence total fund payable by Seniors is \$18.00. Annual athletic dues for Sophomores and Freshmen is \$8.00, because their compulsory athletics necessitates more use of athletic equipment.

TELEGRAMS

All telegrams for Sweet Briar are telephoned from Lynchburg. The Western Union has a direct telephone connection with the College.

MAILS

Mail is neither received nor sent off on Sunday.

The post office is in the Fletcher Hall. One must go there to buy stamps, register letters, secure money orders, send off and insure packages. All mail is delivered at the post office except specials, which are posted in Gray and delivered from Miss Dix's office. Post office boxes may be rented for thirty-five cents a quarter; anyone who fails to rent a box must receive her mail in the general delivery.

Letters, but no packages, may be placed in the receptacles in the dormitories; these are collected from all the dormitory boxes at 10:30 p. m., and from the box in Gray only at 3:00 p. m.

Mails must be in the post office by

7:00 a. m., 11:30 a. m., and 3:30 p. m. for out-going mails.

The 7 o'clock mail carries Southern letters only.

The 11:30 mail carries Northern packages and Northern and Southern letters.

Northern parcel post leaves only at 11:30 a. m., except on Saturday.

Southern parcel post leaves only at 3:30 p. m.

PRACTICAL POINTERS

Students' rooms are furnished with beds, chiffoniers, tables, bookcases, chairs, rugs, one pair of double blankets and a pillow. Each student should provide herself with her own towels, and an extra blanket and sheets. Couch covers, curtains, desk lamps, easy chairs, etc., are usually obtained from the Lynchburg stores.

No electrical appliances, except curling irons, may be used in the room. An electric iron and ironing board is installed in each hall, also one electric plate for heating water in emergency.

Regulation uniforms are used in the gymnastic drills and basket ball practice which each student is required to attend unless excused by the physician.

Bathing suits will be useful in the fall and spring. They may be purchased at the S. B. athletic store.

Dresses, skirts, etc., may be taken to the laundry for cleaning, pressing, and plaiting, at a moderate charge.

Horses may be engaged from the Sweet Briar stables. Riding jackets may be purchased in Miss Dix's office, and horses are engaged by telephoning in Gray.

A riding permit from a student's parent or guardian must be given to the physical director before any girl will be permitted to ride horseback.

No student will be permitted to go bathing in the lake until she has a WRITTEN PERMISSION from her guardian filed with the physical director and has passed her physical examination under Dr. Harley.

The Student Government Association of the college regulates observance of quiet hours. Absolute quiet must be maintained at 10:30 p. m.

Trips of college students to Lynchburg are subject to the chaperonage rules of the Student Government Association.

The regulations of Student Government are posted on the S. G. A. bulletin board in Gray, and each student is held absolutely responsible for knowing them. Each student is responsible for everything that goes on at every Student Government meeting.

Athletic rules and items of interest are posted on the Athletic bulletin board.

Read the bulletin boards! Students are held responsible for official notices posted on the bulletins.

Students should read carefully the printed rules to be found in the Library regarding the use of books. Violations of rules implies a loss of Library privileges or a fine.

Students who are ill or indisposed may have meals sent to their rooms at a charge of twenty-five cents. Orders for meals with the cash payments for them must be placed in the boxes for that purpose in the various dormitories not later than 30 minutes before dining-room bell rings.

Food such as bread, butter, jam, and fruit may be obtained at the Refectory during the interval of an hour before to an hour after each meal. The cost of the food is nominal.

Horses for riding and driving may be obtained from the livery stable in Amherst.

Be sure to do some work in the Young Women's Christian Association. Each member is responsible for the success of the Association work.

Attend REGULARLY and PROMPTLY your Association meetings, class meetings, and song practices.

The first class meeting of the Freshman Class is called by the Junior President, who is then President *pro tem* of the Freshmen until the election of their officers after six weeks.

Do not forget that you are a Freshman at Sweet Briar College and NOT an

upperclassman at your preparatory school.

The Senior Study is for the use of the Seniors and their guests only.

“Good advice is beyond price.”—Consult an upperclassman about the things you do not understand. She will be glad to help you.

There is a booth for telephone and telegraph service in Gray hall.

Special Delivery and express lists are posted on the Gray bulletin board and the letters or packages delivered from the “Linen Room.”

When students arrive at the Sweet Briar station they will find the Sweet Briar omnibus at the south end of the station building. The charge between the station and the college is 15 cents. If you give the driver your trunk check and 50 cents he will attend to bringing up your trunk.

The House President in your dormitory will be glad to help you in any way she can.
